## Objective:

Full-stack Software Engineer with experience in building scalable applications using **Spring Boot**, **React.js**, and **Next.js**. Skilled in developing workflow-driven systems and enterprise tools focused on performance, usability, and integration

---

---

## Technical Skills:

**Programming Languages:** Java 8/11, JavaScript, TypeScript

**Java Frameworks:** Spring, Spring MVC, Spring Boot, Spring Security, Spring Data JPA, OAuth2

**Web Technologies:** HTML, CSS, JavaScript, Thymeleaf, Bootstrap, jQuery, React Js, Next Js

**Database:** Oracle SQL, PL/SQL, MS SQL, MySQL

**ORM Frameworks:** Hibernate

**Other Technologies:** Apache Camel, Jasper Reports, AWS, Linux, Docker, Rest API's & SOPA API's able to develop using Spring boot and React and Next Js App

**Version Control:** Git, GitHub, GitLab

**Development Tools:** Eclipse IDE, Visual Studio Code, IntelliJ IDEA, Postman

**Data Structures & Algorithms:** Array, LinkedList, Stack, Queue, Tree with ability to implement sorting, searching, and recursion Using Java

---

---

## Professional Experience:

**Happiest Minds Technologies Ltd. Bengaluru Karnataka**

**Software Engineer | Sep 2024 – Current**

- Developed and maintained **Contract Management Applications** to streamline tracking, organization, and lifecycle management of contracts.
- Designed and implemented **Project Tracking Systems** for effective monitoring of progress, timelines, and deliverables.
- Built **Travel and Expense Management Applications** with integrated workflows to automate approvals, claims, and reporting.
- Implemented and optimized **BPMN-based Workflows** to automate key business processes across multiple applications.
- Enhanced **operational efficiency** through seamless coordination of automated workflows and system components.
- Contributed to **Riya Flight Booking Applications**, handling both **front-end (Next.js)** and **back-end (Spring Boot)** development.

- Integrated **real-time flight updates** and dynamic search features for an improved booking experience.
  - Collaborated across teams to ensure **scalable, user-centric solutions** in travel, project, and contract management domains.
- 

**Paycorp Solutions Pvt Ltd. Bengaluru Karnataka**  
**Software Engineer | Jun 2023 – Sep 2024**

- Played a key role in developing and **implementing new software features**, resulting in a notable increase in user satisfaction.
  - Actively participated in **cross-functional teams to address and resolve a higher** volume of software issues within challenging timelines.
  - Applied agile methodologies effectively to ensure the **delivery of high-quality code**, resulting in reduced **time-to-market**.
  - Designed and implemented **payment processing systems** within bank applications, emphasizing clean and efficient **code using Spring Boot**.
  - Integrated with various **bank APIs** to enable functionalities such as **account verification** and **fund transfers**, ensuring secure communication and authentication.
  - Conducted quality assurance through unit testing and integration testing using frameworks like **JUnit** and **Mockito** to ensure reliability and accuracy.
  - Participated in code reviews to maintain coding standards and collaborated with team members to **troubleshoot issues** and **improve development processes**.
  - Investigated and **resolved bugs reported** by users or identified during testing, minimizing downtime and disruption to **production environments**.
  - Developed responsive and interactive user interfaces using **React**, enhancing the overall user experience and accessibility.
  - Collaborated closely with **UX/UI** designers to translate design mockups into functional and visually appealing web interfaces.
- 

**Education:**

B.E, **Dr Ambedkar Institute of Technology**, Bangalore, August 2022, Grade: 8.01/10  
12th Grade, **Sri Byaraveshwara Rural Composite PU college**, March 2018, Grade: 84%  
10th Grade, **Sri Sapthagiri Vidyalaya**, April 2016, Grade: 76%

---

**Language Proficiency:**

English (Fluent)  
Kannada (Native)  
Telugu (Conversational)

## Personal Qualities:

- Highly motivated with strong leadership and problem-solving abilities.
  - Eager to learn and adapt to new technologies and methodologies.
  - Performs effectively under pressure and tight deadlines.
  - Focused on innovation and continuous improvement.
  - Excellent team player with strong communication and collaboration skills
- 

## Personal Information:

<b>Father's Name</b>	: Ramareddy R
<b>Date of Birth</b>	: 25/01/2000
<b>Citizenship</b>	: Indian
<b>Current Location</b>	: Bengaluru, India
<b>Place of Birth</b>	: Kolar
